

Gifts for the Mothers

Most of the women that come to our agency think only of their children when it comes to gifts and luxuries. Rarely will they ask for anything for themselves. That's why, at Su Casa, we try to pamper them and allow them some time to relax and enjoy a few treats.

Thank you for thinking of our clients.

The most requested treats/gifts are:

Scented Body Washes

Scented Lotions

Manicure/Pedicure Sets

Sets of Make-up

Journals/Diaries

Hair Dryers

Flat or Curling Irons

Purses & Wallets

Chocolates/Sweets

Gift Certificates to movies, shoe stores, etc.
